Subject: Re: CO2 at Fordham University

I have some faith that there are a few honest folks at EPA who will fine Bloom for the excess CO2 just as they did for the HIDDEN HAZMAT.

I am counting on Natalie Katz and Rosmarie Kelley at EPA to lead the charge. If Mary Nichols heads the Biden EPA and Bloom is not fined we will know she is Gangrene not Green and simply owned by the Oligarch in Chief Louis XX John Doerr.

I want a real GREENIE to lead the EPA. Wheeler and Pruitt were bad and McCarthy and Jackson were even worse. Jackson the sleazebag installed Bloom Boxes at Apple's data center in maiden NC and the Spaceship HQ in California. Apple was fined for the Hidden Hazmat

The Oligarch Doerr controls the Chairman of Apple Art Levinson. Doerr even had Art Levinson try save his other ecofraud Amyris.

These are bad people but I have faith that THERMODYNAMICS TRUMPS EVERYTHING.

The Bloom coffins at Fordham University in the Bronx NY emit more and more CO2 per megawatt hour each day. The Biden EPA will not tolerate this GREENWASHING (we hope). Wall Street is hoping Biden will be

Good for Bloom, I am of the opinion that the Biden EPA will fine Bloom hundreds of millions of dollars unless of course Louis XX John Doerr tells his puppet Joe to lay off Bloom.
